**OFFICE OF PETITIONS**

In re Patent No. 6,879,284 :  
Issued: 12 April, 2005 :  
Application No. 10/731,677 : ON PETITION  
Filed: 9 December, 2003 :  
Attorney Docket Number 13718 :

This is a decision on the petition under 37 CFR 1.182, filed on 18 December, 2006, requesting the issuance of a duplicate Letters Patent for the above-identified application.

The petition is **GRANTED**.

Since it is U.S. Patent and Trademark Office practice to assure mailing of all papers on the date indicated, there is a strong presumption that papers duly addressed and indicated as mailed, such as the Letters Patent in this application, are timely delivered to the addressee. To overcome this presumption, a verified statement with supporting evidence, such as any records which would disclose the receipt of other correspondence mailed from the U.S. Patent and Trademark Office on or about 12 April, 2005, but fail to disclose receipt of the Letters Patent mailed on that date, should be promptly submitted. Further, copies of records on which receipt of the Letters Patent would have been entered had it been received are required.

However, if the loss of the Letters Patent was not the fault of the U.S. Patent and Trademark Office or if petitioner simply wishes to avoid overcoming the above-noted presumption, a petition may be filed under 37 CFR 1.182 accompanied by a petition fee of \$400.00 requesting a duplicate Letters Patent. Upon receipt of the petition and petition fee, the request for a duplicate Letters Patent will be granted.

Although petitioners' counsel states that the original Letters Patent was lost or destroyed, it is not clear whether the

original Letters Patent was never received or was lost after receipt. Additionally, petitioners have not provided sufficient supporting documentation (i.e, a copy of the docket record or file jacket where the Letters Patent would have been entered had it been received must be attached to and referenced in practitioner's statement) showing that the original Letters Patent was not received.

Nevertheless, as petitioner has submitted the petition fee, the petition is granted.

It is noted that although petitioners submitted a check for \$130.00, the required fee is \$400.00. The additional amount due will be charged to counsel's deposit account as authorized in the petition.

A copy of this decision is being forwarded to Publishing Division for issuance of a duplicate Letters Patent. The file is being forwarded to the Files Repository since it is not necessary for issuance of a duplicate Letters Patent.

Telephone inquiries concerning this matter may be directed to the undersigned at (571) 272-3231.
